Professional Summary

Second year B.Tech Information Technology student with hands-on experience in web development using HTML, JavaScript, and SQL. Expanding expertise in full stack development by working on backend logic, APIs, and database-driven applications. Passionate about building real-world applications and seeking opportunities as Full Stack Developer.

Certifications/Training Courses

- **Full Stack Web Development** — Udemy (*May 2025*)
 - Gained practical exposure to front-end and back-end web development concepts.
 - Learned and applied HTML, JavaScript, and basic server-side logic through hands-on exercises and mini projects.
- **Data Structures in C** — Infosys (*March 2025*)
 - Developed problem-solving skills using core data structures such as arrays, stacks, queues, and linked lists.
 - Practiced algorithmic thinking and implementation using C programming.
- **C Programming** — Infosys (*November 2024*)
 - Acquired strong fundamentals of C programming including variables, control flow, functions, and pointers.
 - Implemented basic programs to build logical thinking and coding discipline.

Skills

- Analytical Thinking & Structured Problem Solving
- Effective Communication & Professional Interpersonal Skills
- Time Management & Task Prioritization
- Adaptability in Dynamic Environments & Continuous Learning
- Strong Attention to Detail & Accuracy
- Creative Thinking & User-Centric Approach
- Data Interpretation & Information Analysis
- Professional Presentation & Documentation Skills
- Accountability, Reliability & Strong Work Ethic

Relevant Knowledge & Practical Exposure

- Applied problem-solving skills in developing real-world, application-based projects
- Worked with real-time data sources, enhancing analytical and decision-making abilities
- Designed user-focused solutions with emphasis on usability and functionality
- Strengthened logical reasoning through project-based learning and implementation
- Demonstrated ability to manage tasks independently while contributing effectively in team settings
